

Health Review

Your customized Dell Wellness Hub experience starts here.

**Complete an online
Health Review**
February 1 – January 31

**Earn
US \$25**

How it works

Spend about 15 minutes on this confidential online questionnaire to share insights about your health habits. You'll discover your strengths, identify areas for improvement and receive personalized recommendations to help you reach your wellness goals. It's quick, easy and designed for you.

How to get started

- Step 1** Sign in to your account at DellWellnessHub.com or open the Personify Health app. Navigate to **Health > Health Review**.
- Step 2** **First time?** Select **Start**.
Retaking it? Select **Start the Survey** to refresh your results.

Download the app:

Why it matters

You'll get a summary with simple next steps you can take toward your wellness goals.

**Customized
report**

**Personalized
recommendations**

**Better health
awareness**
